

Data Availability Statement

Social Science Reproduction Platform

This template is meant to guide original authors and reproducers in assessing the degree to which a study provides information on access to proprietary or sensitive data. Please fill in the following form for each confidential data source. If this is part of SSRP reproduction, please use your completed form to inform your subjective assessment on whether there are instructions to access data and if those instructions are partial or complete.

Location

☐ **Institution:**

☐ **URL:**

Contact information

☐ *Generic email:*

☐ *Specific contact*

– *Name:*

– *Title:*

– *Department:*

– *Email:*

– *Phone number:*

Conditions of access

☐ **Restrictions:** [e.g., On site only, Cold rooms, Certified locations]

☐ **Requirements:** [e.g., nationality, security clearance, employees only access]

☐ **Fees:** [e.g., application fees, data purchase]

☐ **Processing time:** [e.g., from first request to first data access it took 15 months]

☐ **Guaranteed availability until:** [e.g., Data provider agreed to ensure access until 2025]

☐ **Type of data:**

- ☐ Raw data only
- ☐ Analysis data only
- ☐ Raw and analysis data

Metadata for each data file

Provide a list of the files required from this data source in order to reproduce the results from the original study. If possible apply a hash function to each data to obtain a unique identifier of that version of the data.

File name	Size (Mb)	Format	Description	Unique ID (optional)
raw_data1.csv	123	CSV	Demographics raw data	156a5e19b...
raw_data3.json	1441	JSON	Income raw data	244h7e19b...
...

Additional materials

- ☐ **Sample documentation:** [e.g., Data Use Agreements (DUAs), Memorandums of Understanding (MOUs), contracts.]
